

SC12206MP

REMARKS

After the foregoing amendment, claims 1-2 and 4-20 are active in the present application. Claims 3 and 21-23 have been cancelled. No new matter has been added by the amendment and the amendment is believed to place the application in condition for allowance. Accordingly, reconsideration and allowance of the application, as amended, are respectfully requested.

Claims 3-7 were indicated as allowable if rewritten to include the features of any base claims thereof. Claim 3 has been cancelled and the subject matter thereof incorporated into claim 1. Accordingly, claim 1 and dependent claims 2 and 4-7 are now in condition for allowance. Claims 8-20 were previously allowed.

The rejected claims have been cancelled. Accordingly, the present application, including claims 1-2 and 4-20, is in condition for allowance and such action is respectfully solicited.

Respectfully submitted,

Shahid ALI et al.
